 * **ASB** *
Officers
 *

BEN VAN DONGE: OUR FEARLESS LEADER
 He's better than Van Halen, Van Helsing, Vans, Mini Vans, Astro Vans, and even 15 Passenger Vans...hmm, maybe.

CHRIS COLLISON: SECOND IN COMMAND
 He would never sell his mom on E-Bay.

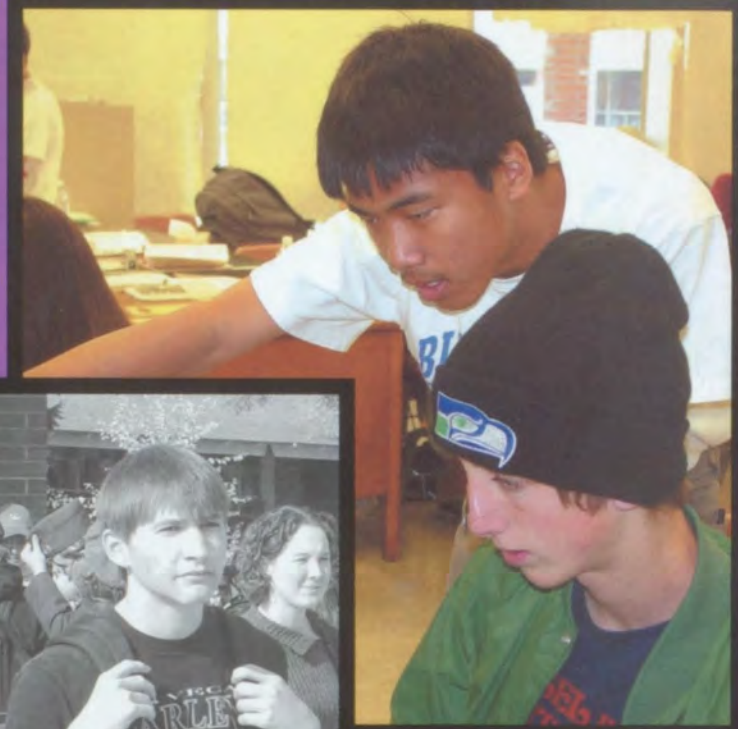

JULIA COCHRAN: SCRIBE
 Don't be afraid, Julia is just excited.

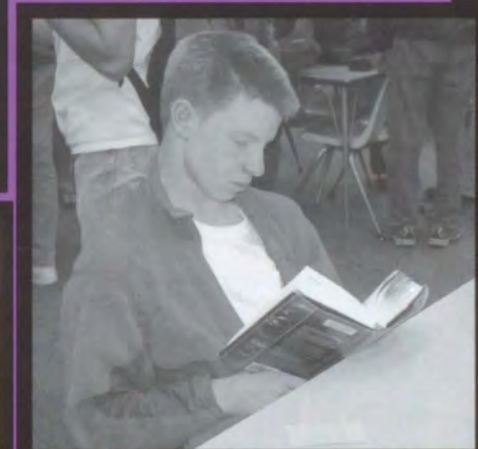

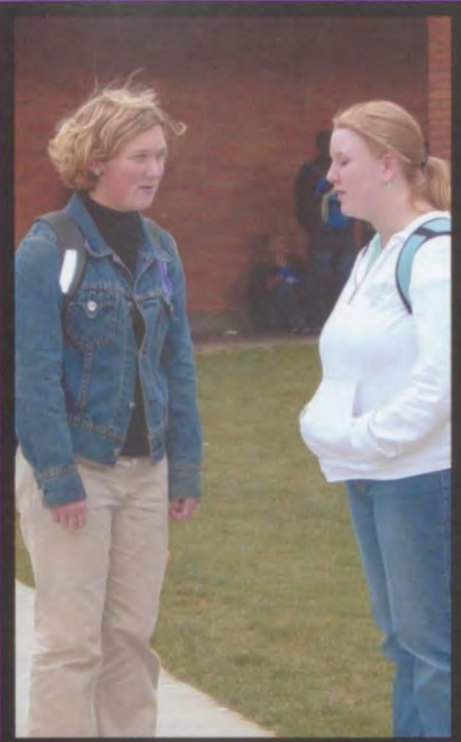

This year, The Associated Student Body officers Ben, Chris, Julia, and Cassie were very creative when it came to their pictures. They risked their lives crossing Abbott Road, showed off their amazing balancing skills on poles (Chris on the firehydrant), and also felt it necessary to let all of you know how truly excited they were to be your ASB officers. What champs!!

CASSIE HUNTER: KEEPER OF THE BOOKS
 She's a hunterin' for treasure and with that Midas touch of hers, she finds treasure everywhere.

Flash
Back

The graphic features the words "Flash" and "Back" in a white, bubbly, rounded font with black outlines. The text is centered and surrounded by a circular arrangement of black floral shapes, including larger five-petaled flowers and smaller six-petaled flowers. The background is a soft, multi-colored sunburst pattern with rays of light in shades of purple, blue, yellow, and orange.

What did you most enjoy about being an educator?

I have enjoyed watching the students mature, learn to make good decisions, grow up and have families of their own. I always enjoy seeing old students that I've had in the past; many come up and say, "You were right Mr. McClelland." My wife never says that, but my preaching over the years does reach some.

What will you miss most about being an educator?

I'll miss the smell of the freshly waxed floors when you enter your room in the fall. I'll miss all the relationships that I have developed over the years. Retirement isn't easy for some people, but it comes time and you have to move on. Always look at tomorrow as a new adventure.

What are your plans for retirement?

We plan to move back to California to be near our kids and find out what it is like to be grandparents.

Marcia Tomlin

Teaching Experience:

1975-1985: Pioneer Junior High--8th Grade Literature and 9th Grade English

What did you enjoy most about being an educator?

1. Challenging students and then seeing them rise up to and/or exceed my expectations.
2. Interacting with students on a daily basis...I especially enjoyed developing relationships in the classroom with certain students whom I could then tease in an affectionate way, and they would return the favor.

What will you miss most about being an educator?

1. Watching students mature into sophisticated, independent thinkers and learners.
2. See #1 above.
3. Interacting with my colleagues, especially those in the English department.

What are your plans for retirement?

(in no particular order)

1. I plan to work as a consultant with The Jane Schaffer Enterprises.
2. I have been hired to score the essays for the new SAT exam.
3. I will occasionally substitute teach.
4. I hope to provide the kind of support for my husband that he has provided me over the last 26 1/2 years.
5. I am going to read, read, read and exercise, exercise, exercise.
6. I will focus on my daughter more.
